

SNACK AND LUNCH POLICY

I hereby acknowledge that I have read the snack and lunch policy, as stated in the Parent Handbook. I understand that I am responsible for providing a nutritious snack and a water bottle for my child each day. Nutritious snacks do not include cookies, candy, or potato chips. Any portion of the snack that is not consumed at school, will be sent home at the end of each day. For those that will be eating lunch, I understand that I am responsible for providing a nutritious lunch for my child each day. I agree to fully comply with this policy.

In addition, if there are any allergies in the classroom, I agree to not send in those items as directed by the Preschool Director.
